

## CALL FOR APPLICATIONS

ATHENS EU MODEL 2020: “The European Green Deal”

May 11-14, 2020, Athens, Greece

The Institute of European Integration and Policy of the Department of Political Science and Public Administration (National and Kapodistrian University of Athens, Greece) and the Europe Direct Information Center hosted at the Hellenic Foundation for European and Foreign Policy (ELIAMEP) are pleased to announce the organization of “**Athens EU Model 2020**” to be held on May 11-14, 2020 at the Department’s premises (42-44, Aiolou str., Monastiraki area, in the historical centre of Athens).

The Athens EU Model 2020 will be a four-day simulation of two EU institutions, the European Commission and the Council of the EU (Environmental Council-ENVI). The call is open to 70 advanced undergraduate and postgraduate students, as well as graduates, from Greek and foreign Universities of various disciplines. Participants will be assigned various roles promoting their policy positions and negotiating on the “European Green Deal”. The roles will be those of EU Commissioners, Ministers of Environment and other officials of the EU (European Parliament Parties and European Environmental Agency representatives), as well as journalists and representatives of other international institutions (United Nations Framework Convention on Climate Change) and NGOs (environmental and fossil fuels).

The working language of the simulation will be English.

**Participation fee** covering three preparatory lectures, the Model’s dossier and coffee breaks is set to **50 euros** per person.

The **deadline** for applications is **March 20<sup>th</sup>, 2020**.

The application form is available [here](#).

Successful applicants will be informed by March 23<sup>rd</sup>. Participants will receive their study guides and relevant material shortly after, and they will have the opportunity to attend preparatory lectures on the EU institutional processes, as well as the agenda topic.

For further information on the programme and the application procedure please visit the Institute's website <http://ecep.pspa.uoa.gr>.
